

The background of the entire page is a photograph of a brick wall. The wall is constructed from light-colored, rectangular bricks with dark mortar joints. The perspective is from a low angle, looking up at the wall, which creates a sense of height and structure. The lighting is bright, casting soft shadows that emphasize the texture of the bricks and the pattern of the mortar.

CALSTONE

Masonry Mortar Type S

- Pre-blended color and uniformity
- Convenient handling & transporting
- Consistent quality and yield
- Excellent workability & board life
- Strong and durable
- Has a long lasting mortar bond
- Uniform aggregate sizes ensure easy mixing

Calstone Type S Masonry Mortar exceeds the requirements and standards of ASTM C270 and C387.

SIZE & YIELD

Our 80 lb (36.3 kg) bag will lay up to 40 standard bricks and 15 standard blocks.

COLORS

Calstone Type S Masonry Mortar is stocked and available in gray and tan. Custom colors available by special order.

PREPARATION

Remove all loose and/or deteriorated material as well as any surface contaminants such as soil, paint, grease, etc.

MIXING

Empty the contents of the bag into a clean wheelbarrow, mortar box, mechanical mixer or other mixing vessel. Form a crater with a shovel or hoe in the center of the dry mix. Mix sufficient water to achieve desired workability. *For hand mixing*—Blend dry mix with a shovel or hoe from the outer edges working the material towards the center. Continue mixing until all free water is used and all the aggregate is uniformly coated with cement. *For mechanical mixing*—Mix the material for three minutes.

FINISHING

Joints can be finished when material has begun to set and the surface has a thumbprint hard consistency. Mortar joints can be finished with a jointing tool.

CURING

Protect from direct sunlight, wind, rain and frost during the curing period.

HEALTH AND SAFETY

- Product is alkaline.
- Do not ingest.
- Avoid breathing dust.
- May cause irritation to skin and eyes.
- Refer to Material Safety Data Sheet (MSDS) for additional information.
- Keep out of reach of children.
